## **Basic Health Care**

Holland code family: Helpers

# **Certificate of Completion**

www.roguecc.edu/Counseling/HollandCodes/test

### **About the Program**

The Basic Health Care two term certificate prepares students for work in entry-level positions in the health care industry. Students gain knowledge and skills pertinent to work in the medical industry and are provided a basis of preparation to pursue further training and employment in allied health career fields and beyond. This certificate is unique in that it provides a diverse range of electives allowing students to select from a variety of specialty tracks that guide them toward completion of an additional certificate or degree program.

The U.S. Department of Education requires disclosure of specific information about career and technical certificate programs to prospective students. Data includes Standard Occupational Classification (SOC) codes, graduation rates, tuition and fees, typical costs for books and supplies, job placement rates for students completing the programs, and median loan debt incurred by students completing the programs. For more information visit www.roguecc.edu/GainfulEmployment.

Additionally, the program provides support to health care employers through professional development for support workers in academic, personal effectiveness, workplace, and industry-wide technical health care competencies.

# **Entry Requirements**

Students are required to complete the Placement Process to determine skill level and readiness in math, reading, and writing. As part of their training program, students must begin with the courses within their skill level as determined by the results of their placement assessment. In addition, students may also be required to enroll in classes that would increase their employability and success. It is important that students work closely with an adviser to select courses appropriate to their career goals. Students who are enrolled in the Basic Health Care certificate are not given advanced placement into limited-entry programs described in the specialty tracks. Some tracks have limits and restrictions that could impede placement.

#### **Advanced Standing**

Coursework from accredited universities will be accepted in accordance with college policies and the program coordinator's approval. In order to ensure that coursework is current, program courses over five years old must be reviewed and approved by the program coordinator before being accepted toward core requirements. Each College Now credit student must meet with the coordinator to determine placement.

### **Graduation Requirements**

Students completing the required credits in this program with a grade of "C" or better will receive their certificates. Certain prerequisite and required courses are graded on a pass/no pass basis only. A grade of "P" for these courses indicates a student earned the equivalent of a "C" or better grade.

#### **Prerequisites**

BI100SB

CG155

Course No.	Course Title	Credits
CS	Approved 3-4 credit computer science class, CS120 or above,	
	or documented computer proficiency 1	0-4
MTH63	Applied Algebra I or	
	MTH60 Fundamentals of Algebra I or higher level math or	
	designated placement test score	0-4
RD90/WR90	College Reading/Fundamentals of Composition or	
	WR91 Fundamentals of Academic Literacy (WR91 substitutes	
	for both RD90 and WR90) or designated placement test score	<u>0-8</u>
Total Prerequisite Credits		
Required	Courses	
Course No.	Course Title	Credits
AH100	Medical Terminology: Introduction	3

		E
HCI120	Introduction to Health Care Industry <sup>3</sup>	3
	Health Electives (choose 3 to 4 credits from the following courses):	
	HE112 Emergency First Aid	
	HE250 Personal Health	
	HE252 First Aid/CPR	
	HE261 CPR/Basic Life Support Provider	
	HPE295 Health and Fitness for Life	
	PSY215 Life Span Human Development	3-4
WR115	Introduction to Expository Writing or	
	BT113 Business English I or higher level composition	3-4
	Approved specialty track electives	6-10
TOTAL PRO	24-30	

# Specialty Track Electives (6-10 credits required)

Electives have been organized into tracks that will lead toward additional certifications or degrees. Any combination of 6-10 credits from the courses listed below will meet program requirements.

Additional coursework is required beyond Basic Health Care certificate courses to complete expanded certificate or degree programs. Some specialty tracks listed require admission through a limited-entry application process that could restrict student accessibility.

#### Community Health Worker (6 credits)

3

HC100	Community Health Worker	6
Dental Assist	ting (Choose 8-9 credits)	
BI211	General Biology I with lab	4
CHEM104	Introductory Chemistry I with lab and recitation	5
SP111	Fundamentals of Public Speaking	4
SRV101	Service Learning	1
EMT/Parame	edic 1 (10 credits)	
ES131, ES131L	Emergency Medical Technician Part I and Lab	4-1
ES132, ES132L	Emergency Medical Technician Part II and Lab	4-1
Exercise Spe	ecialist 1 (8 credits)	
NFM225	Nutrition	4
SOC230	Introduction to Gerontology or	
	PSY215 Life Span Human Development (if not taken as part of core)	4
Health Care	Informatics (6 credits)	
HCI210	Legal Aspects of Medical Records	3
HCI255	Introduction to Health Care Informatics	3

Human Servi	ces (Choose 7-8 credits)	
CJ243/SOC243	Drugs, Crime and Addiction	4
HS158	Trauma-informed Care: Theory and Practice	3
SOC230	Introduction to Gerontology	4
PSY201	General Psychology I	4
Massage The	erapy <sup>2, 4</sup> (Choose 6-10 credits)	
BI121	Elementary Anatomy and Physiology I with lab (if not taken as part of core)	4
MT100	Massage I – Basic Swedish <sup>4</sup>	2
MT101	Asian Bodywork I <sup>4</sup>	2
NFM225	Nutrition	4
Medical Adn	ninistrative Assistant (Choose 6-10 credits)	
CG144	Introduction to Assertiveness	1
EMS165	Introduction to Pharmacology for Health Occupations	2
SPAN101/102/103	First Year Spanish I, II, III	4-4-4
SRV101	Service Learning	1
Medical Assi	stant (Choose 6-10 credits)	
AH110	Medical Terminology: Clinical	3
BT111	Conflict Management	2
CG144	Introduction to Assertiveness	1
CG155	Exploring Careers in Health Care (if not taken as part of core)	3
SP100	Basic Communication	3
SRV101	Service Learning	1
WR110	Understanding English Grammar	2
Medical Cod	ling Specialist (Choose 7-10 credits)	
Medical Cod	•	3
