

Fire Officer

Holland code family: Doers

Certificate of Completion

www.roguecc.edu/Counseling/HollandCodes/test

About the Program

The Fire Officer four-term certificate program is designed to provide advanced skills and work experience for firefighters aspiring to advance in the profession. It provides courses aimed at upgrading the skills of professional firefighters and preparing personnel for additional job responsibilities. Courses are either in the core of the AAS degree or chosen from the approved elective list. Coursework is accredited by the Oregon Department of Public Safety Standards and Training and meets National Fire Protection Association (NFPA) requirements (NFPA Fire Officer I and II).

The U.S. Department of Education requires disclosure of specific information about career and technical certificate programs to prospective students. Data includes Standard Occupational Classification (SOC) codes (www.bls.gov/SOC), graduation rates, tuition and fees, typical costs for books and supplies, job placement rates for students completing the programs, and median loan debt incurred by students completing the programs. For more information visit www.roguecc.edu/GainfulEmployment.

Entry Requirements

Students are required to complete the Placement Process to determine skill level and readiness in math, reading, and writing. As part of their training program, students must begin with the courses within their skill level as determined by the results of their placement assessment. In addition, students may also be required to enroll in classes that would increase their employability and success. The Fire Science program advisor will work with each student to design an individualized sequence of instruction.

Advanced Standing

Coursework from approved colleges and universities will be accepted in accordance with college registration policies and the Fire Science program coordinator's approval. In order to ensure that coursework is current, program courses over 10 years old must be reviewed and approved by the program coordinator before being accepted toward core requirements.

Graduation Requirements

Students must complete all courses in this program with a grade of "C" or better to receive their certificates. Certain required courses are graded on a pass/no pass basis only. A grade of "P" for these courses indicates a student earned the equivalent of a "C" or better grade.

Prerequisites

Course No.	Course Title	Credits
CS ____	Approved 3-4 credit computer science class, CS120 or above or documented computer proficiency ¹	0-4
FRP251	Firefighter Level I 2	3
FRP251L	Firefighter Level I Lab 2	5
MTH20	Pre-algebra or designated placement test score	4
RD90	College Reading or designated placement test score	4
WR115	Introduction to Expository Writing or designated placement test score	0-3

Total Prerequisite Credits **16-23**

Required Core Courses

Course No.	Course Title	Credits
First Term		
FRP199	Workshop: Selected Topics	3
FRP256	Fire Behavior and Combustion	3
MTH63	Applied Algebra I or MTH60 Fundamentals of Algebra I or higher level math	4
WR121	English Composition I	4
		14

Second Term

FRP233	Firefighter Safety and Survival	3
FRP249	Fire Service Leadership	3
FRP285	Fire Instructor I	3

SP111	Fundamentals of Public Speaking or	4
SP218	Interpersonal Communication	13

Third Term

FRP238	Public Education, Relations and Information	3
FRP273	Fire Investigation	3
FRP274	Firefighting Strategy and Tactics	3
PS203	United States Government III	2
		12

Fourth Term

FRP199	Workshop: Selected Topics	2
FRP242	Introduction to Codes and Related Ordinances	3
PSY101	Psychology of Human Relations or BT101 Human Relations in Organizations	3
BA214	Business Communications or WR227 Technical Writing	4
		12

TOTAL PROGRAM CREDITS **51**

¹ Required for graduation. Successful completion of CS120, or otherwise meeting the proficiency requirement within the last 10 years, fulfills this requirement. Contact a computer science adviser to help determine placement.

² FRP251 taken previously for 8 credits but without a separate lab is also acceptable.
