

Pharmacy Technician

Holland code family: Organizers

About the Program

The Pharmacy Technician two-term certificate program prepares students for work in entry-level positions in hospitals and retail pharmacy settings. Students will learn to prepare prescription orders under the supervision of a licensed pharmacist, perform applicable pharmacy calculations, and comply with federal and state regulatory agency laws and regulations. Upon completion of this program students will be able to perform all the duties required in any pharmacy practice setting. Students completing this program will be prepared to take the national Certified Pharmacy Technician (CPhT) exam, although certification is not an employment requirement at this time.

The U.S. Department of Education requires disclosure of specific information about career and technical certificate programs to prospective students. Data includes Standard Occupational Classification (SOC) codes, graduation rates, tuition and fees, typical costs for books and supplies, job placement rates for students completing the programs, and median loan debt incurred by students completing the programs. For more information visit www.roguecc.edu/GainfulEmployment.

Entry Requirements

Pharmacy Technician is a cohort-based program and enrollment is limited. Students are required to complete the Placement Process to determine skill level and readiness in math, reading, and writing. As part of their training program, students must begin with the courses within their skill level as determined by the results of their placement assessment. In addition, students may also be required to enroll in classes that would increase their employability and success. Cohort students must meet certain minimum academic requirements (AH100, BT113 or WR115 or designated placement test score, CS120 or documented proficiency, MTH60 or MTH63 or designated placement test score), before starting the program. Visit www.roguecc.edu/AlliedHealth/prx for program details.

Advanced Standing

Coursework from accredited colleges and universities will be accepted in accordance with college policies and the program coordinator's recommendation. In order to ensure coursework is current, program courses over seven years old must be reviewed and approved by the appropriate program coordinator before being accepted toward core requirements. College Now credit earned in conjunction with local high schools will be accepted in accordance with the current agreement.

Graduation Requirements

These requirements apply only to students admitted to the program during the current academic year. Students contemplating admission in a later year may have different requirements and must obtain the graduation guide or catalog for that year. Students must complete all courses on this graduation guide with a grade of "C" or better to continue in and complete the program and receive their certificates. If certain required courses are graded only on a pass/no pass basis, a grade of "P" for these courses indicate a student earned the equivalent of a "C" or better grade.

Prerequisites

Course No.	Course Title	Credits
AH100	Medical Terminology: Introduction	3
BT113	Business English I or WR115 Introductory to Expository Writing or designated placement test score	0-4
CS ____	Approved 3-4 credit computer science class, CS120 or above, or documented computer proficiency ¹	0-4
MTH60	Fundamentals of Algebra I or MTH63 Applied Algebra I or designated placement test score	0-4

Total Prerequisite Credits 3-15

Required Courses

Course No.	Course Title	Credits
First Term		
BI100SB	Biology of Human Systems ²	3
DA202	Infection Control	2
HCI120	Introduction to the Health Care Industry	3

HE252	First Aid/CPR	3
PRX101	Pharmacy Technician I	4
		15

Second Term

AH105	Communication and Professional Behavior	2
AH165	Introduction to Pharmacology for Pharmacy Technicians	2
BA109	Ready, Set, Work: Techniques for Landing a Job	2
MTH64	Pharmacy Calculations	2
PRX102	Pharmacy Technician II	4
PRX123	Law and Ethical Issues for Pharmacy Technicians	2
	Approved program elective(s)	3-4
		17-18

TOTAL PROGRAM CREDITS

32-33

Approved Program Electives ³

(3-4 credits required)

BT111	Conflict Management	2
CG144	Introduction to Assertiveness	1
CG155	Exploring Careers in Health Care	3
HE112	Emergency First Aid	1
HE261	CPR/Basic Life Support Provider	1
SP100	Basic Communication	3
SPAN101,102,103	First Year Spanish I, II, III	4-4-4
SRV101	Service Learning	1
WR110	Understanding English Grammar	2

¹ Successful completion of CS120, or otherwise meeting the proficiency requirement within the last 10 years, fulfills this requirement. Contact a computer science advisor to help determine placement.

² Students who have completed either BI121 and BI122 or BI231, BI232, and BI233 (the entire sequence of either series) with an equivalent "C" or better grade do not need to take BI100SB.
