

# How to Apply

There is no fee to apply to RCC

## → New college student?

To be admitted you'll need to take a placement test. At your placement test appointment you'll provide us with your admission information. Get started by scheduling your placement test here:

[www.roguecc.edu/PlacementTest/](http://www.roguecc.edu/PlacementTest/)

## → Transferring from another college?

- First, complete Rogue's Application for Admission; [www.roguecc.edu/Admissions](http://www.roguecc.edu/Admissions)
- Next, if you have completed math and writing courses at another college, you can ask for a placement test waiver. Just submit your college transcript showing the highest level of math and writing completed. An unofficial transcript may be used to waive the placement test, however at a later time you will need to submit an official copy if you plan to pursue a degree or certificate.
  - Submit transcripts to Rogue's Admissions Advisor, 541.956.7260, fax: 541.471.3585, [bgsingh@roguecc.edu](mailto:bgsingh@roguecc.edu), or mail to Barbara Singh, Rogue Community College, 3345 Redwood Highway, Grants Pass, OR 97526

## → Questions about admission? Call 541.956.7260 to speak with Rogue's Admissions Advisor.
