PROFESSIONAL JUDGEMENT INSTRUCTIONS – 2010/11

* Conditions for Professional Judgement must have existed for at least 60 days before this request can be considered.*

When you submitted your 2010/11 Free Application for Federal Student Aid (FAFSA), you provided 2009 household income and current asset information. Your household’s financial ability to contribute to your cost of attendance (“Expected Family Contribution”) was calculated by federal processors using a standard federal formula.

If your current household situation has significantly changed, directly impacting your ability to meet your expected family contribution, financial aid professionals at RCC have the ability to review your documented situation and use Professional Judgement to re-assess your need.

At RCC, only one Request for Professional Judgement will be evaluated for you per school year. Additionally, only one 12-month time-frame may be considered when processing a professional judgement. Decisions are school-specific, apply to only one academic year, and are final (no appeal process). Following are examples of the most common situations that warrant a professional judgement.

### Category A (Income/Benefits)
- Loss or change in employment
- Loss of income/benefits
- Divorce or separation from spouse
- Death of spouse or parent

### Category B (Assets)
- Sale of Home/Subsequent Purchase of New Home
- Legal Settlement/Funds used on associated expenses
- Significant stock market loss

### Category C (Paid Expenses)
- Significant K-12 tuition or elder/dependent care paid ’09 to current
- Significant medical expenses paid out-of-pocket ’09 to current

IN ORDER FOR YOUR REQUEST TO BE PROCESSED, COMPLETE ALL THREE OF THE FOLLOWING:

1. Fill out a Professional Judgement Request Form (reverse)
2. Attach a signed, detailed statement about the change in your financial situation (how your current financial situation is significantly different than what was reported on your FAFSA). Include exact dates the situation started, ended and/or changed. Your statement must be clear and well organized. This is not an appeal based on need or merit, but a statement of the facts.
3. Attach documentation of support for the circumstances you have described. Be sure it includes key date(s) and amount(s), and clearly describes the change in your finances from what was reported on your FAFSA.
