

Planning for college but need cash for class?

RCC can help.

— Jason Dombroski
EMT program student

If you're a recent GED completer or graduate from a Josephine or Jackson county high school, you may be eligible for up to 6 free credits when you enroll for up to 12 credits. That's a savings of up to \$438. Available through June 2010.

And for those who apply early, state and federal financial aid may be available to pay for college tuition. RCC can help you apply for grants, loans, scholarships, and work-study programs that will ease the cost of a college education and start you on the road to academic and economic success.
