It is a violation of College Policy for any employee or student to engage in harassment of any other college employee or student. Pursuant to Board policy II.B.010 and in compliance with state and federal law, RCC does not discriminate on the basis of race, religion, color, national origin, age, gender, or disability in employment, educational pursuits or in the provision of benefits and services. Complaints of harassment are taken very seriously. The College has appointed College staff and faculty to the Human Rights Committee for handling of complaints. In 1997 the Board adopted the College's "Human Rights Policy – An Affirmation" which details Board Policy and process regarding issues of discrimination and harassment. Contact the Human Rights Liaison, Ext. 7087 for a copy of the policy.
