

COLLEGE NOW

Earn college credits while getting your high school diploma

What is COLLEGE NOW?

Do you want to graduate high school with a high school diploma AND a college credential that you can list on a resume right away? Rogue Community College specializes in stackable certificates that can open doors to employment opportunities and apply to further education. These entry-level programs are the gateway to Associates, Bachelors and Masters Degrees.

RCC's COLLEGE NOW dual enrollment program allows high school students to earn college credit for free in selected high school classes at the same time they are earning credit toward their high school diploma!

To learn more:

Contact the Pathfinder program at **541.245.7806**

High School Entry Points

Work towards completing certificates while still in high school in five recommended entry points:

- Basic Health Care
- Business & Information Specialist
- Early Childhood Education
- High Technology: Plant Systems
- Oregon Transfer Module

Additional Programs of Study (POSTs) are available at select schools and include:

- Welders Helper
- Automotive Specialist
- Industrial Welding & more!
