

NEW Early College Credit High School Teachers

Go to the RCC 2+2 Website www.roguecc.edu/hsoutreach/2+2 to get information on the Early College Credit program and on specific classes. This is your first step to becoming an Early College Credit teacher.

- Click on “Classes & Teacher Requirements.” Click on any link in the left hand column to see specific requirements for that class.
- Read carefully the *course & teacher requirements*.
- If you feel that **your class curriculum is a match** with the RCC class/es, and **your education background matches** the requirements for the class you would like to offer, click on the “**Teacher Information**” link and save the form to your desktop (name it something like “ECC your name” i.e., ECCBJTaylor). ***Please be very thorough when filling this application out***, covering all the specific requirements of the course/s you want to offer, describing license information, certificates, extra coursework, etc. that qualifies you to offer the college course/s you are requesting.
- Once completed, email the teacher application to BJ Taylor at bjtaylor@roguecc.edu
- Your application will be reviewed by the appropriate department; they may ask for additional information such as your course syllabus. You will be notified of their approval and will be added to our list of Early College Credit teachers.
- We will be happy to meet with you to explain the registration procedure. It’s a simple process and don’t forget ECC are now FREE for students!
- Email our office for any help!
