Fire House Gallery exhibit studies thought and memory

“Brecciated Time,” a collection of prints by Idaho artist Candace Nicol, will be on display March 30 through April 30 at the Rogue Community College Fire House Gallery.

The exhibit features dimensional printed montages created from collagraph prints, solar plates and four-color polyester lithographs. The artist’s multi-layered prints, which explore the complexities of thought and memory, have been widely exhibited. Nicol is completing work on a master’s of Fine Arts degree at Boise State University.

A geological term, “brecciated” refers to various pieces of rock held together by a binding medium. Nicol’s work compares the construction of personal identity to a similar process. The artist will offer a two-part workshop involving gel plate techniques from 7 to 9 p.m. April 14 from 9 a.m. to 4 p.m. April 15. Cost of this off-press workshop is $30.

A First Friday Art Night reception April 1 from 6-9 p.m. will feature Ryan Alec playing the Chapman stick from 7-8 p.m.

The RCC Fire House Gallery is in Historic City Hall, Fourth and H streets, Grants Pass. The gallery is open from 11:30 a.m. to 4:30 p.m. Tuesday through Friday, and 10 a.m. to 1 p.m. Saturday. Call 956-7339 or visit the Web site: www.roguecc.edu/Galleries
