RCC’s Fast Track offers easy summer enrollment

Students who are attending or have been accepted to a four-year college or university are invited to enroll at Rogue Community College summer term using the college’s “Fast Track” plan.

“With Fast Track all prerequisites are waived and no placement test is required,” explained Kori Bieber, associate dean of Student Development. “This is the fourth summer we have offered this opportunity, and it’s an easy, streamlined way to get transferable college credits at RCC tuition rates.”

To take classes, students need only to meet with an RCC counselor and bring a copy of their admissions letter or college transcripts showing they are in good standing.

“Then just register, pay tuition and fees, and attend. That's it – simple,” Bieber said.

For more information contact the Counseling Department. In Josephine County call 956-7190; for Jackson County, call 245-7559.
