Art sought for “Community Ties”

Area artists are invited to create work that symbolizes how different elements of the community fit together to make life better for residents.

“As part of ‘Community Ties,’ we are looking for 16 artists to create artwork that ‘ties’ business, art, education, and government to our quality of life, creating a healthy, prosperous community,” explained Tommi Drake, director of Rogue Community College art galleries.

All media are welcome, including textiles, oil painting, acrylic, wood, metal, or rope. However, entries that involve open flames or electricity can’t be accepted. Size for three-dimensional, table-mounted sculptural work is 18-inches by 18-inches by 12-inches high. Two-dimensional art can be up to 18-by-24 inches and should be ready to hang.

Deadline for committing to participate and submitting a title is March 15. April 1 is the deadline for project completion. Artwork will be exhibited April 7 during Grants Pass’ First Friday Art Night and April 13 at Cave Junction’s Second Friday Art Night.

Final bidding and sale of art will be April 22 at the annual Chamber of Commerce Awards Banquet at Riverside Event Center. Proceeds go to the artists.
