Star of Stars extravaganza coming June 16 to Craterian

After weeks of talent auditions, 12 finalists have been chosen to compete in the Star of Stars show June 16 at the Craterian Ginger Rogers Theater, Medford.

The event, which will begin at 7 p.m., is a benefit for La Clinica Del Valle's Mental Health Program and is produced by Rogue Community College student government members at Riverside Campus.

The evening will feature a dozen acts including traditional rock bands, singer-songwriters, and belly dancers, all vying for a $1,000 first prize. Performers come from area high schools, RCC, and the community, said Teddy Walston, student government leader.

Tickets are $5 each and are available at the Riverside Campus student government office in the G Building lobby, 117 S. Central Ave. They also may purchased at the Craterian Ginger Rogers Theatre box office, 23 S. Central Ave. Phone number is 779-8195.

“Please come out and show your support for this project. Even if you can't attend the event, please purchase a ticket and help this project succeed,” Walston said.

Of the 48,000 people that are seen annually at La Clinica Del Valle, 98 percent do not have health insurance and live below the poverty line, and 56 percent are living at 200 percent below the poverty line, Walston noted.
