Padgett retrospective covers 35 years

Walt Padgett, Rogue Community College art instructor emeritus, will exhibit a collection of his prints, sculptures, paintings, and drawings created over the past 35 years.

The retrospective of Padgett’s award-winning work runs June 16 through July 21 at the Rogue Gallery and Art Center, 40 S. Bartlett St. in Medford. An artist reception is set for June 16 from 5:30-7:30 p.m.

Padgett, who was the first art instructor at RCC and was instrumental in establishing the college’s Art Department, recently returned from a month-long trip to Japan.
