Film that tracks recycling will be shown free at RCC

“Waste Not,” a documentary that traces the journey taken by recycled material, will be shown May 28 at the Rogue Community College Redwood Campus, 3345 Redwood Hwy., Grants Pass.

Free screenings take place at noon and 12:45 p.m. in the Student Center.

Director Nicholas Stevenson, a recent graduate of Southern Oregon University, won a regional student competition at the 2009 Ashland Independent Film festival for “Waste Not.” The filmmaker traveled across Oregon to look at where recycling goes after it leaves consumers’ hands.

Risa Buck, waste reduction educator for Ashland Sanitary and Recycling, will be on hand after each show to answer recycling-related questions. The RCC Green Team is sponsoring the event. Snacks will be provided.
