Get tips on creating a business plan

Business owners and those thinking of starting a new business can learn how to develop a business plan through a class offered by Rogue Community College.

“Business Planning for Success” is scheduled from 9 a.m. to noon, Mondays and Thursdays, Aug. 9-19. Learn about strategies, executive summaries, sales and marketing analysis, forecasting sales, expenses, and profitability.

The class will meet in the Small Business Development Center computer lab, 214 SW 4th St., Grants Pass. Tuition is $215. The instructor is Dave Ellison.

Pre-registration is required by noon two working days before the first class meeting. Call the SBDC at 541-956-7494 to pre-register or for more information. For a complete schedule of classes visit www.roguecc.edu/bdc.
