Public asked to weigh in on RCC facilities master plan

The public is invited to attend a series of meetings that will help Rogue Community College plan for future facilities needs.

The open house sessions, set for mid-March, will provide a chance for the community, college staff and students to comment on preliminary plans. The master plan will incorporate the needs of academic, administrative and student programs for each of RCC’s three campuses and other learning sites, which are located in Grants Pass, Medford, and White City.

RCC has contracted with Opsis Architecture, LLP of Portland to develop an institutional master plan. Work began in October and is scheduled for completion June 30.

Open house sessions are planned for the following times and dates:

- 10 a.m. to noon March 16, Redwood Campus Student Center, 3345 Redwood Hwy., Grants Pass
- 2–4 p.m. March 16, RCC/SOU Higher Education Center Lobby, 101 S. Bartlett St., Medford
- 10 a.m. to noon March 17, Table Rock Campus (west entrance off Avenue C), 7800 Pacific Ave., White City

The RCC Board of Education approved the contract with Opsis for a not-to-exceed amount of $100,000. Master planning is required by the Northwest Commission on Colleges and Universities, the regional college and university accrediting authority.

For more information about the project or upcoming meetings, contact Denise Swafford, RCC administrative coordinator: 541-956-7087 or dswafford@roguecc.edu.
