RCC registering students for fall term

Fall term registration is under way at Rogue Community College, with classes beginning Sept. 26.

All currently enrolled and continuing students may register for classes through Sept. 23. To register online, visit www.roguecc.edu/myRogue.

All new students (no credits earned at RCC) are required to —

1. Complete the Online Admission Application at www.roguecc.edu/Students/start.asp.
2. Take a placement test.
3. Attend an orientation to get clearance to register for credit classes.

View the RCC schedule of classes at www.roguecc.edu.

Class sizes for some courses are limited; students should be prepared to select alternative classes or sections. To get clearance to register online, students should contact an advisor: www.roguecc.edu/Counseling/Advising.

For help registering online, email Rogue Central Services for Students at rcs@roguecc.edu.
