High school students compete at RCC Weld-a-Thon

Nearly 90 high school welding students will test their skills Feb. 3 at the 2011 Rogue Community College Weld-A-Thon.

Open to all southern Oregon high school students, the annual event is scheduled from 8 a.m. to 2:30 p.m. in Y Building on the RCC Redwood Campus, 3345 Redwood Hwy., Grants Pass. Students will compete in 10 welding and fabricating contests, and the events will conclude with an awards ceremony.

The RCC Welding Technology program and Early College Credit 2+2 sponsor the weld-a-thon with representatives from the welding industry judging the contests, according to Todd Giesbrecht, head of the RCC Welding Technology Department.

For more information contact Giesbrecht at 541-956-7243 or tgiesbrecht@roguecc.edu.
