“Mirrors” exhibit reflects work of 20 local artists

The Rogue Community College FireHouse Gallery will host a special exhibit titled “Mirrors: A Portrait Project” May 4–27.

Made possible with support from the Josephine County Cultural Coalition, the exhibit features 20 respected regional artists who were invited to work in pairs to create portraits of each other. The artists were challenged to produce personal and individual interpretations of one another. They worked in medias ranging from drawing, painting, digital, mixed media, and ceramics.

The ground-breaking project spotlights the interactive life of artists in the valley, giving them a chance explore new horizons and to celebrate that process through a unique collection of visual art.

The work ranges from precise, high-focused realism to conceptual, abstract, and visionary pieces. Each piece illustrates the vital energy the artistic community shares.

An opening reception is scheduled 5-7 p.m. May 4. Two question-and-answer sessions with the artists are planned from 11:30 a.m. to 12:30 p.m. May 9 and 11, and a First Friday Art Night reception is scheduled from 6 to 9 p.m. May 6.

The FireHouse Gallery is located in Historic City Hall, 214 SW Fourth St. For more information contact the RCC Galleries at 541-956-7339.
