Virtual office technology presentation planned

GRANTS PASS — Members of the business community are invited to attend an interactive event exploring the benefits to small businesses of “virtual office” technologies.

The presentation is scheduled from 6 to 9 p.m. May 10 at the Tally Media Center, 109 NW C St. The cost is $20; however, a grant is available that reduces tuition 60 percent to $8. For details and to register, call the SBDC at 541-956-7494.

Sponsored by the Rogue Community College Small Business Development Center as part of the SBM Business Technology program, the presentation will examine a broad range of new technologies:

- Smart phones
- Wireless tablets
- Mobile laptops
- Wi-Fi Networking
- Mobile applications

Speakers Shawn LaRue and Brian Sale, regional small business account executives for Sprint Technologies, will conduct a short question-and-answer session following their presentation. Participants are invited to stay for the following SBM class session, which will focus on innovative business strategies related to virtual office technologies.
