EXPLORE ALLIED HEALTH CAREERS

WHITE CITY — An information session about Allied Health career opportunities and Rogue Community College program offerings for Allied Health is scheduled November 5.

Prospective students and community members interested in an overview of the necessary training and education for a variety of Allied Health occupations are invited to this informational session at the Table Rock Campus, 7800 Pacific Avenue, White City, Room 100, from 1 to 3 p.m. on Wednesday, November 5. Participants will learn about health science careers, local employment opportunities, wage ranges, and more.

The brief overview of information regarding positions in the health science and health care field will be followed by tours of the Certified Nursing Assistant, Physical Therapist Assistant, Occupational Therapist Assistant, and Emergency Services classrooms and labs.

Other programs that will be reviewed include: Dental Assistant, Basic Life Support, Clinical Laboratory Assistant, Massage Therapist, Medical Assistant and Community Health Worker. Information on the various programs offered may also be viewed at www.roguecc.edu/alliedhealth.
