Explore health science careers

Rogue Community College will offer information about health science careers on May 13 at the Table Rock Campus, 7800 Pacific Ave., White City.

The information session, offered by RCC Allied Health Services, is scheduled from 2-3 p.m. in Room 126. Tours of the Nursing Assistant, Physical Therapist Assistant and Emergency Services program labs will follow.

Allied Health information sessions provide prospective students with information needed to decide whether a position in the field is right for them. Prospective students will learn about health science careers, local employment opportunities, wage ranges and more.

More information is available from Christine Morris at 541-245-7486 or cmorris@roguecc.edu. Or visit www.roguecc.edu/alliedhealth.
