Register now for summer term at RCC

Priority registration for summer and fall terms at Rogue Community College begins May 27.

Priority registration is based on the number of credits a student has earned. New student and open registration begins June 2.

Students must complete an admission application, take a placement test and attend a new student orientation before registering for classes. The last day to placement test for summer term is May 30.

Summer term starts July 7; fall term begins Sept. 29.
