

RCC Offers Health Career Information Sessions

WHITE CITY, Ore.—Rogue Community College (RCC), is hosting two information sessions on potential health careers in March at the Table Rock Campus on 7800 Pacific Avenue, White City Oregon.

If you are interested in learning about the Physical Therapist Assistant Program, an introductory session is set for Thursday, March 5 from 6 to 7:30 p.m. in Room 126. Current, first, and second-year students and guest speakers will be on hand to provide an overview of the program, answer any questions, and discuss the 2015/16 application process.

If interested in pursuing the Clinical Lab Assistant Certificate, Medical Assistant Certificate or Phlebotomy Career Pathway Certificate, presentations on those areas of study are scheduled for Monday, March 16 from 5:30 to 7:30 p.m. in Room 184.
