## A Dental Assistant Career? Learn All About It at RCC Orientation Session July 8

MEDFORD, Ore.— Thinking about a career as a dental assistant? There is great opportunity right here in the Rogue Valley. You can learn how to get on the road to a career in dental assisting by attending an orientation session at Rogue Community College on July 8 from noon to 1:30 p.m. at the RCC Riverside Campus in Medford in Building A, Room A21. You must attend orientation to be considered for the program.

These information sessions help prospective students decide whether the field of dental assisting is the right choice for them. Learn about program requirements, local employment opportunities, wage ranges, how to apply for admission, and more.

Attendance at one of these sessions is mandatory for anyone who plans to apply for admission to the 2015/2016 dental assistant cohort.

Additional information including application prerequisites can be found at:  
[www.rogucecc.edu/dental](http://www.rogucecc.edu/dental).
