## Ospreys Run Strong at Wes Cook/George Fox University Invitational

GRANTS PASS/MEDFORD, Ore.--The Rogue Community Ospreys cross country team finished 6th with some strong individual showings at the Wes Cook/George Fox Invitational Cross Country Meet at Willamette Mission State Park in Brooks, Ore. on Oct. 10, 2015.

"Everyone had an individual plan and collectively everyone ran aggressively and did a great job committing to running in packs with other runners besides their teammates," said Coach Cole Watson. "We got a lot of great feedback on what we need to work on as whole to be at our best this November."
