**Business**

**Associate of Science**

**Oregon Transfer Degree**

**Major Code: 520201B**

---

**About the Program**

The statewide Associate of Science Oregon Transfer degree in Business is designed for students transferring to baccalaureate degree programs as business majors. Those completing the ASOT–Business degree are assured junior level standing for registration purposes and will have met the lower division general education requirements of any institution in the Oregon University System (OUS). Students should be aware that if they transfer before completing this degree, courses will be evaluated individually toward the general education requirements of the college of their choice.

The curriculum in RCC courses is derived from a set of identified learning outcomes that are relevant to the discipline. For a list of learning outcomes for this discipline or program, see www.roguecc.edu/Programs/LearningOutcomes.

---

**Entry Requirements**

Students are required to take the college placement test to determine skill level and readiness indicated by test scores. As part of their training program, students must begin with the courses within their skill levels as determined by placement test scores. In addition, students may also be required to enroll in classes that would increase their employability and success.

---

**Advanced Standing**

Coursework from accredited colleges and universities will be accepted in accordance with college policies and the Business Technology Department chair’s approval. In order to ensure coursework is current, program courses over 10 years old must be reviewed and approved by the appropriate department chair before being accepted toward course requirements.

---

**Graduation Requirements**

Students must complete a minimum of 90 term credits of lower division collegiate courses with a minimum grade of “C” or better.

  Some OUS business schools require two terms of statistics and two terms of calculus prior to being accepted into their programs. It is recommended that students contact the specific OUS business school or program early in the first year of their ASOT–Business program to be advised about additional requirements and procedures for admission to the school or program.

---

**TOTAL PROGRAM CREDITS** | **90-102**
1 SP100 may not be accepted if students do not complete this degree before transferring to an Oregon university.

2 Meets cultural literacy criteria (one course required). See catalog for additional courses that meet the criteria.

3 Students who have graduated from high school or completed a high school equivalency program in 1997 or after must have the following requirement for admission to a four-year Oregon state college or university: 1) Two years of the same high school-level language, or 2) two terms of college-level language with a grade of "C" or better (may be first-year language which can be used as elective credits). Note: If students plan to complete a Bachelor of Arts (BA) degree at a four-year school, they must have a proficiency in a foreign language regardless of when they graduated from high school or equivalency program.
