A. Summary of meeting

- a. The discussion about how and whether to rate or prioritize the strengths and weaknesses was ended with the decision to have Paul "cluster" or group the different concepts and distribute for further consideration.

B. External Threats

- a. Recorded the threats with a brief discussion about the individual entries.
- b. Completed the list for compilation.

C. External Opportunities

- a. Recorded the external opportunities that exist for RCC.
- b. Considerable time and thought revealed the potential of a number of stable and interested potential partners that RCC may be able work with.

D. There will not be a meeting next week but we will meet the following week on Wednesday, November 14, 2007 at 8 am. Prior to that meeting:

- a. Paul will send the cluster document (whatever that is)
- b. Please read the "Filter Grid" Distinctive Competencies section of Exercise 4. We will be concluding Exercise 4 and beginning work on Exercise 5.
- c. Paul will distribute a scoring rubric that will need to be completed prior to the meeting. We will be using a consensus decision-making model to suggest changes to the existing Mission Statement.
