## Text Book Solution!

Here is how it works...

Take your student ID card to the RCC library. Browse through the RCC Book Exchange Club's available textbooks. Find the books you need. Check them out for the term at no cost!

This is a great resource that can help you save money each term! These textbooks are returned at the end of each term. The penalty for not returning a book will be a charge against your account for the cost of the book.

If you have questions about this process or would like to see it in action head on down to the library, they will be able to give you all the information you need.
