“Now is a great time to start planning for winter term,” said Claudia Sullivan, director of Enrollment Services. “Starting early will help you get financial aid secured and have a better idea of which classes to take.” Apply for admission at www.rogue.edu/students/start.

Once the online admission form is completed, applicants will be prompted to sign up for a placement test or to bring official college transcripts to a Rogue Central office on any RCC campus. Students must complete the placement test prior to registering for courses. Sign up at www.roguecc.edu/PlacementTest.

Prospective students also are encouraged to apply online for financial aid to pay for classes at www.fafsa.ed.gov. RCC’s school code is 010071.
