

Education: A Good Investment

Rogue Community College creates a significant positive impact on the business community.

From EMSI fiscal year 2015-16 analysis:*

RCC operations and its students added \$239.4 million in income to the region's economy.

RCC employed 727 full time and part time employees. Payroll amounted to \$42 million, much of what was spent in the region to purchase groceries, clothing and other household goods and services.

Past and present RCC students generated \$159 million in added employment income for the region.

In academic year 2016/17, RCC delivered to its students a net of \$21.5 million in financial aid, and RCC Veterans Services certified a net of \$5.2 million in Veterans educational benefits, for a total of \$26.7 million which students used for tuition, books, and local housing, transportation, and other services (RCC Financial Aid Office data).

The overall impact of RCC on the local business community amounted to \$239 million dollars.
