Dear Linda:

On behalf of the members of the Oregon State Board of Nursing, I am pleased to send you written confirmation that the Rogue Community College associate degree nursing program was granted continuing Board approval. The motion adopted at the February 18, 2016 meeting was:

MSC that the Rogue Community College Associate Degree Nursing Program be approved for up to eight (8) years to October, 2023.

You are to be commended for a survey visit report that included no deficiencies or recommendations. It was clear that you and the faculty worked diligently to prepare for the visit. Thank you for being present at the Board meeting to respond to questions from Board members. I will be sending you an electronic copy of the final survey visit report to retain for your records. Please let me know if there are any questions on the report or Board motion.

Sincerely,
