

## **AP 4029 Faculty Senate**

### **References:**

NWCCU Standard 2.A.4

Rogue Community College values the practice of shared governance with faculty. The College recognizes the role of a Faculty Senate to exercising the courage to empower and provide leadership; consult on College governance issues; pursue integrity, fairness, and truth with the highest ethical standards; ensure the maintenance of respect and an intellectually open, inclusive, and diverse environment; and promote excellence on all levels of college life and activities.

To enact shared governance, the Faculty Senate shall have the right to consider and advise the College President and the Executive Team on all matters of education policy that includes, but is not limited to, such fundamental matters as curriculum, methods of instruction, program and course evaluation, facilities, materials for instruction, standards for admission and retention of students, and criteria for granting certificates and degrees. This power also includes those aspects of student life that relate directly to the education process, such as guidance of extracurricular activities, and freedom of action and expression.
