

## **AP 4101 Independent Study**

### **References:**

No Oregon law reference

Independent study courses may be developed for students by the appropriate faculty member(s) and approved by the program department chair and dean. These independent study courses are run as section 50 or section 51.

The academic standards for independent study are the same as those applied to other credit courses.

The faculty member overseeing the independent study course is responsible for the evaluation of student progress as in other credit courses.

Access to the instructor will be equivalent to that commonly available to students in courses conducted by other instructional methods.
