AP 5055 Enrollment Priorities

All courses, course sections, and classes, offered and maintained by Rogue Community College, shall be open to enrollment in accordance with BP 5052 Open Enrollment and a priority system consistent with AP 5055 Enrollment Priorities. Enrollment may be subject to any limited entry application and selection process that has been established. Enrollment may be limited to students meeting properly validated placement requirements and prerequisites, or due to other non-evaluative, practical considerations as determined by the Vice President of Instructional Services or designee.

A student may challenge an enrollment limitation on any of the following grounds:

- The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- Rogue Community College is not following its enrollment procedures;
- The basis for the limitation does not in fact exist.

Students may challenge an enrollment limitation by following the appeals process outlined in AP-3435 for discriminatory practices or by appealing to the Vice President of Instructional Services for non-discriminatory related appeals.
