Welcome

Congratulations on choosing Rogue Community College to help you prepare for your future. At RCC, you'll receive a valuable education that's worth the investment. As a student in the 21st century, your days are likely a balancing act of family, work, school, and personal commitments, so it is important to be an informed consumer while investing time, effort and resources in your future.

Whether enrolling or re-enrolling for continued personal or professional growth, taking classes to obtain a certificate or earn a two-year associate's degree, or preparing to transfer to another institution, Rogue Community College is ready to help you succeed! Your decision to pursue a college education will have a tremendous impact on you and your family now and for generations to come.

Why choose Rogue Community College? Here are just a few benefits:

- Convenient locations
- Wide variety of classes and programs. If we don't offer your specific program, we can offer a strong academic foundation for further studies or, if your goal is vocational, RCC may be able to design a program to help you meet your individual goals.
- Open enrollment policies
- Many opportunities to get started
- Personal and academic assistance available
- Varied program lengths
- Distance education options
- Affordable tuition
- Small class sizes
- Personal attention from instructors
- Greater interaction among students
- Increased earning potential: see US Census Bureau data below

This workbook is designed to help you understand financial concepts that relate to your college experience, highlight financial aid options, and introduce you to money-management tools that will help you focus on your studies, your family, and your career. Take advantage of the many resources this workbook highlights. Keep it as an effective reference tool. As you progress in your studies, we welcome the opportunity to assist you along the way.
