The AARP Tax Aide program has opened a Facilitated Tax Preparation Site here on the Rogue Community College Campus for the benefit of our students and staff.

Facilitated Tax Preparation is a method that taxpayers can use to file their own federal and state tax returns using a web-based tax preparation software program with the added benefit of a trained counselor on site to answer your questions.

The site will be located in the Career & Student Employment Services Office on the RWC of Rogue Community College.

The site will be open every Friday from 9-12 beginning on February 21st and continuing as long as there is interest in the program. Appointments are required.
