Learn About Careers in Dental Assisting at Orientation Session at RCC

Last available session for those wanting to enroll for the 2015/16 Cohort

MEDFORD, Ore.—There is great opportunity in dental assisting right here in the Rogue Valley. You can learn how to get on the road to a career in dental assisting by attending an orientation session at Rogue Community College. This is the last session and attendance is required for anyone who plans to apply for admission to the 2015/2016 dental assistant cohort.

Dental Assisting Information Session
March 19, 2015
4 to 5:30 p.m.
RCC Riverside Campus in Medford.
Room A-21

These information sessions help prospective students decide whether the field of dental assisting is the right choice for them. Learn about program requirements, local employment opportunities, wage ranges, how to apply for admission, and more.

Additional information including application prerequisites can be found at:
www.rogucecc.edu/dental.
