RCC Reopens for Classes After Law Enforcement Clears Campuses

GRANTS PASS, Ore.--Law enforcement agencies have now completed clearing all Rogue Community College campuses and buildings, and they have determined there is no present threat to safety. **Classes and all other activities will resume on normal schedules tomorrow (Tuesday) morning.**

Students who may have left personal belongings behind, such as backpacks, purses, laptops, etc., may go to the following locations to identify and retrieve them:

Redwood Campus: H-2
Riverside Campus: HEC 128/129
Table Rock Campus: Room 141

Everyone at RCC is thankful for the quick and thorough response by law enforcement and other emergency agencies in this tense situation.

RCC also thanks the students and staff for their calm and courage during the evacuation of the campuses. Thousands of students and staff quickly and--most importantly--safely left our various sites.

Events like this may cause much emotional strain. The RCC counseling staff offers confidential, short-term counseling to students and staff at no charge.
