

Degree Partnership Program Form

Other (Non-OFAX Schools)

Student's Name (print) _____ RCC Student ID# _____

Deadline: 5pm the second Tuesday of the term (or by payment deadline for students not yet awarded aid by the second Tuesday)

Failure to submit by the stated deadline will result in RCC paying aid based only on RCC credits.

Generally, a student can only receive financial aid from one institution during any given academic term. However, when a student cross enrolls at more than one aid-eligible institution it may be possible, through an approved consortium agreement, that the student's HOME institution can base the student's financial aid on the combined, aid-eligible credit level. To apply for RCC to act as your HOME institution, review student responsibilities below. If you can check "yes" to all, complete the student section and submit it to the Financial Aid Office at your HOST institution for processing.

Approval is at the sole discretion of RCC's Financial Aid Office. This agreement takes effect only after it is appropriately completed and signed by all parties. In the event that it is not approved, the student will be notified. Due to probable delays that come from transferring federal aid eligibility from one school to another, the student is discouraged from changing his/her home institution within an academic year, unless upon the completion of a program.
