You indicated on the FAFSA you are a U.S. citizen or eligible noncitizen. The Federal government could not confirm that. Please check the box below indicating what document you can provide to confirm your citizenship or eligible noncitizen status, then provide that document. If the document supports your status, we can continue to process your FAFSA.

___ **Certificate of Naturalization (N-550 or N-570), Certificate of Citizenship (N-560 or N-561).**

___ **Student’s birth certificate** – showing that the student was born in the U.S., including Puerto Rico, Guam, U.S. Virgin Islands, American Samoa, Swains Island, and Northern Mariana Islands. Birth certificates showing a student was born abroad (not a U.S. jurisdiction) are not acceptable.

___ **Form FS-240 (Consular Report of Birth Abroad), FS545 (Certificate of Birth Issued by a Foreign Service Post), or DS1350 (Certification of Report of Birth)** – These are State Department documents.

___ **Special Proof of Citizenship Circumstances** – there are other statuses that qualify which may be documented. We encourage you to check these statuses at the [CCAC Help Center](#).

___ **Eligible Noncitizen** - If you are an eligible noncitizen, make sure your 25/26 FAFSA includes that status, along with your accurate Alien Registration Number (ARN). If you answered incorrectly on the FAFSA, you or your school must submit a correction with accurate information. The correction should be processed within three business days with results from the Department of Homeland Security about your eligible noncitizen status. Provide a copy of your **Permanent resident/alien card (I-551)** issued by USCIS to individually naturalized individuals.
