

## Admission Complete 2026/27

If you got a message from RCC Financial Aid asking for an “Admissions Complete” document, it means you are not showing as “Admitted” to RCC in the financial aid system.

- 1. If you have already applied for admission**, finished the Placement Process, and are 18 or older (or have graduated high school or the equivalent), contact your FinAid Advisor to update your admission status.
- 2. If you haven’t applied for admission to RCC**, click here to [complete the application process](#).
  - Follow the instructions sent to your email after your application is processed.
  - If it’s been a few business days since you’ve finished all the steps for admission and your MyFinAid account still shows “Admission Complete” as not received, contact your FinAid Advisor.
- 3. If you previously applied for admission to RCC** but never attended or it’s been more than 2 years since you attended RCC, you may need to complete a new Admission Application. Contact the [Admission & Recruitment Office](#) for help.

If you have any questions or concerns, contact your FinAid Advisor. Their contact information can be found on [RCC’s Contact Financial Aid page](#).
