

Aid-Eligible Major 2026/27

If you received a request from Financial Aid for an “Aid-Eligible Major”, your major needs attention. To resolve this, follow the steps below that match your situation:

- 1. If you already declared an aid-eligible major, but your MyFinAid account still shows “Aid-Eligible Major” as “not received”:**
 - Contact your [FinAid Advisor](#). They can confirm.

- 2. If you have completed the Placement Process and are degree-seeking at RCC:**
 - Contact an [Academic and Career Coach](#) to talk about your major and make sure it’s eligible for financial aid.
 - Register for classes in the academic year that matches the FAFSA you’ve submitted.
 - Let your [FinAid Advisor](#) know once your major has been updated and you’ve registered in classes.

- 3. If you have not completed the Placement Process and are degree-seeking at RCC:**
 - Go to the [Placement Process](#) page and complete Placement. After you finish, you will get an email from the [Admission & Recruitment](#) Office with next steps.
 - If you’re not sure if you completed the Placement Process, contact the Admission & Recruitment Office.
 - Contact an [Academic and Career Coach](#) to discuss and update your major.
 - Let your [FinAid Advisor](#) know once your major has been updated.

- 4. If you are not working toward an RCC degree or certificate:**
 - You are not eligible for federal, state, or institutional financial aid. Contact your [FinAid Advisor](#) if you’d like to talk about your situation or other possible financial resources.

If you have any questions or concerns, please reach out to your FinAid Advisor. Their contact information can be found at [RCC’s FinAid/Contact Us page](#).
