

Budget Revision Request 2026/27

Name _____ RCC ID _____

Each student has a student budget for the school year, the estimated cost it will take for the student to attend school, including housing, food, transportation, personal expenses, books & supplies, and tuition and fees. It's determined by your dependency status, enrollment level and if you pay childcare expenses.

On a case-by-case basis, we may be able to adjust your estimated student budget to include costs directly related to meeting your educational needs. **An increased budget does NOT necessarily mean you qualify for additional financial aid.** Please [contact FinAid Advising](#) to discuss this further.

If a Budget Revision applies to your circumstances, continue.
