

Continued Probation SAP Appeal 2026/27

Name _____ RCC ID _____

To be eligible for financial aid you must make Satisfactory Academic Progress (SAP) by maintaining at least a **2.0 cGPA** and **66.67% cPACE** (completion percentage). Review the [SAP policy](#) for details.

If you successfully appealed for aid and were approved for Probation (Aid Eligible) Status, passed all your attempted credits in that term, but your cGPA and/or cPACE are still below the minimums after that term, you must submit an appeal to get Continued Probation for another term on an Academic Plan.

Your Academic Plan means successfully passing your next term's classes with at least a C- grade (or "P" for pass/no pass classes) as you work toward the goal of meeting SAP requirements and degree completion.

Read and sign this statement to request Continued Probation under the terms of an Academic Plan:

While on Probation (Aid Eligible) Status I passed all my attempted credits but my cGPA and/or cPACE are still below the minimum requirements. I'm asking for another term of Probation to bring my levels up.
