

Degree Partnership Program (DPP) 2026/27

Other (Non-OFAX) schools

Name _____ RCC ID _____

Generally, a student should receive financial aid from one school at a time. If you take classes at two schools during the same term, your HOME school may be able to base financial aid on all eligible credits combined.

This is the form to request RCC be your HOME school if the HOST school is any school except Lane Community College, Linn-Benton Community College, Oregon State University or Oregon Health & Science University. If your HOST school is one of these schools, use the [Degree Partnership Program OFAX](#) form.

To apply for RCC as your HOME school, first read the student responsibilities and check submission deadline below. If you can check “yes” to all statements and it’s before the deadline, fill out the student section on page 2 and submit both pages to the Financial Aid Office at your HOST school for processing. If you cannot answer “yes” to every statement, you should either apply for aid with the other school as your HOME school or accept aid only for your RCC classes.

Student Responsibilities (must check “yes” next to each to be eligible):

- I am admitted to and currently working toward an aid-eligible certificate or degree at RCC ___Yes
- I will stay enrolled at least half-time at RCC (6 or more RCC credits) ___ Yes
- While RCC is my HOME school, I will only take developmental education (under 100 level), Freshman (100 level) or Sophomore (200 level) courses that count toward my RCC major requirements ___Yes
- I am enrolled and have attached a copy of my schedule from the HOST school ___Yes
- I will only accept federal or state aid from my HOME school ___Yes
- I understand that, in general, the HOME school’s administrative policies will be used to process and monitor my eligibility ___Yes
- If approved, any extra aid after my RCC bill is paid will be refunded to me through BankMobile, and I am responsible for paying my HOST school on time per their payment deadlines ___Yes
- I must successfully complete my term at my HOST school for consideration of future aid eligibility when RCC is my HOME school ___Yes
- I am responsible for making sure my official grade(s) from my HOST school are sent to RCC’s Financial Aid Office as soon as possible after the term ends ___Yes

Submission Deadline: 5pm the second Monday of the term. *Failure to submit by the stated deadline will result in RCC paying aid based only on RCC credits.*

Term	School Year	RCC Credits	+	HOST Credits	=	Total Credits

Note: A new DPP form must be completed for each term of dual enrollment.

Approval is decided only by RCC's Financial Aid Office. This agreement will only take effect after it has been fully completed and signed by all required parties. If your request is not approved, you will be notified. Because transferring federal aid between schools can cause delays, students are generally discouraged from changing their HOME school during the same academic year, unless they are finishing a program.

RCC (HOME) School Responsibilities:

1. Decide if the student qualifies for federal and state financial aid, award and send out eligible aid, monitor Satisfactory Academic Progress, and process repayments if needed under the Return of Title IV Funds policy.
2. Keep all required records for the time needed to follow federal, state, and school rules and procedures.
3. Send a Student Status Confirmation Report to U.S. Department of Education (USDE) for credits recorded at RCC.

HOST School Responsibilities:

1. Make sure the student does not receive federal or state financial aid from the HOST school during the term listed in this agreement.
2. At the student's request, at RCC's request, or at the end of the term (whichever comes first), send official notice of the student's grades to RCC's Financial Aid Office.
3. If the student withdraws from the HOST school during the listed term, the HOST school must notify RCC as soon as possible. If RCC needs to calculate a Return to Title IV, the HOST school must provide the needed information for RCC to make the calculation and return any tuition refund that must be applied to financial aid programs, both in a timely manner.
4. Notify RCC of any non-Title IV financial resources given to the student for the listed term.
5. Send a Student Status Confirmation Report to the USDE for credits recorded at the HOST school.
