

# Parental Refusal to Provide Information or Support

## 2026/27

Your child says you will not provide your information for the Free Application for Federal Student Aid (FAFSA). They also say you do not give them financial support and will not do so in the future. Please know this decision may limit your child's financial aid options. Without your information, your child may not qualify for grants, need-based scholarships, Subsidized Federal Direct Loans, or Work-Study. They may only be able to receive merit-based scholarships and the more expensive Unsubsidized Federal Direct Loan.

If this is your decision, please complete this form and have it notarized. This will allow us to review whether your child can qualify for an Unsubsidized loan without your information.
