Name _____ RCC ID _____

To be eligible for financial aid you must make Satisfactory Academic Progress (SAP) by maintaining at least a **2.0 cGPA** and **66.67% cPACE** (completion percentage). Review the [SAP policy](#) for details.

If serious and unexpected problems caused you to have trouble passing your classes, resulting in Aid Suspension, check all the reasons that apply to you for submitting this appeal:

- Minimum cGPA** – I did not meet the minimum 2.0 cumulative GPA requirement.
- Minimum cPace** – I did not successfully complete 66.67% of my total attempted RCC credits.
- Request reinstatement of previously voided Credit Extension Appeal (CEA)** – While on a CEA, I didn't successfully complete all my attempted credits.

For all the options above, write a statement that includes:

1. What **specific** circumstances kept you from successfully finishing your course(s)?
 - These reasons must be serious, unexpected circumstances that were out of your control and happened during the term(s) in question. Examples include illness or a death in the family.
2. Explain how you fixed the problem(s) that caused you to struggle.
 - What steps have you taken to help you do better in the future? Examples include getting tutoring, taking fewer classes, improved work/life balance, treatment for medical issues, etc.
 - What is your plan to be successful moving forward?
3. Include supporting documentation to back up the facts of your statement.
