Fall Weeks 10-11

## Hello TRIO Students!

It's finally December, which means winter break is just around the corner! Need ideas on what to do with all your spare time? Look no further:

**All students** should take time to submit their 26/27 FAFSA. Additionally, start reviewing the scholarship opportunities available through OSAC. Not sure where to start? Page 3 has a list of opportunities that Jackson and Josphine County students might be eligible for.

**Transferring students** who are completing their associate's degree this spring/summer should begin applying to universities. Make an appointment with your advisor if you need any assistance during the process!

**Nursing students** who haven't taken their TEAS Test yet should schedule a proctored exam ASAP. The nursing app deadline is February 15<sup>th</sup>, and without a TEAS score, RCC's nursing department will not review your application! If you need help paying for the exam, make an appointment with Anna or Christian.

TRIO staff will be on campus until December 22<sup>nd</sup>. So if you need any help at all, just ask! We're here for you!

Best,  
Danielle Garcia &  
Nadine Roper
